

# Basic Worksite Traffic Management (BWTM) and Traffic Control (TC)

## Combined course for MAIN ROADS WA ACCREDITATION

Course Code ATM007 and ATM008

### AIM OF THE COURSE / TARGET GROUP

This course provides the skills and knowledge required to safely implement a traffic management plan for works on roads and to safely and efficiently control traffic in a variety of situations. It has been designed to address the requirements for persons seeking MainRoads WA accreditation for Basic Worksite Traffic Management (BWTM) and Traffic Control (TC). This course is suitable for anyone required to work on, or near Western Australian roads, who are required to read, interpret, implement traffic management plans and control traffic.

### DURATION

2.5 days

#### Important note

**Please note: As this two and a half day program includes the mandatory practical exercises, successful participants will receive their MRWA accreditation at the conclusion of the course. Other training companies require candidates to complete a logbook or come back at additional cost to complete these exercises.**

### COURSE CONTENT

At the completion of the combined BWTM/TC program you will have gained an understanding of the relevant State and Territory traffic management legislation and be able to demonstrate the required level of skills and knowledge in relation to;

- Requirements set down by the Manual for Uniform Traffic Control Devices
- Traffic management plans, signs and devices
- Site and equipment safety requirements
- Site isolation and traffic control responsibilities and authorities
- Hazard identification, job safety analysis and safe work method statements
- Basic signalling, traffic controlling and radio operations

### ASSESSMENT METHOD

Knowledge based questionnaires and practical demonstration

### PRE-REQUISITE FOR THIS COURSE

Must have current or previous evidence of holding a valid motor vehicle drivers licence (not a Permit), Construction Induction Whitecard and basic English literacy skills

### ACADEMIC AWARD AND RECOGNITION

Upon successful completion participants will be issued with MAIN ROADS WA accreditation and the following Statements of Attainment which will be recognised nationally

- RIWHS302D Implement traffic management plan
- RIWHS205D Control traffic with stop-slow bat
- RIICOM201D Communicate in the workplace
- RIWHS201D Work safely and follow WHS policies and procedures

### WHAT TO WEAR

All course participants are required to wear appropriate work attire. Whilst closed in shoes are a minimum requirement for attendance on any course, steel capped safety boots are required for practical exercises on day 2 of the course.

### MORNING TEA AND LUNCH

Feel free to grab a tea or coffee before the course starts and during the course breaks. All participants will be offered morning/ afternoon tea and for those attending full day courses **lunch is provided** (an assortment of sandwiches and hot finger foods). Persons with special dietary requirements should cater for their personal needs.

### COURSE FEE
