

CASA Accredited Remote Pilot Licence

Course Code ATM048

AIM OF THE COURSE / TARGET GROUP

Don't just learn to fly a drone; learn to fly it well, and gain the certification required to fly for commercial benefit. We are one of the few Civil Aviation Safety Authority (CASA) registered organisations in Western Australia able to offer this fully licenced training course. Designed to get you your remote pilot licence (RePL), our five day Remotely Piloted Aircraft System (RPAS) training course is the perfect course to kick-start your rewarding career as a an RPA Pilot. We teach you everything you need to know about RPA Systems, aerodynamics, mission planning and preparation, flying at night, and much more.

DURATION

5 days

COURSE CONTENT

You will learn practical flying skills as well as practical operational skills that will place you a cut above the average pilot. In aviation, knowledge is everything; Australian Training Management prepares you for the challenges that lie ahead. Our rigorous Remote Pilot training course covers the required theory and a wide range of practical skills and applications that provide you with the platform from which to launch your aviation career in the right direction. You will also complete the training required in order to sit your Aeronautical Radio Operator Certificate (Licence).

Course Subjects

- Aerodynamics
- Human Factors
- Meteorology
- Navigation
- Mission Preparation and Planning
- Aeronautical Communications
- Multi-Rotor General Knowledge
- RPAS Maintenance
- UAV / RPA Systems and Functionality
- Air Exercises

ASSESSMENT METHOD

Knowledge based questionnaires and practical exercises.

PRE-REQUISITE FOR THIS COURSE

There are no pre requisites for the RePL course, however you will need to have an ARN (Aviation Reference Number) issued by CASA before we can process your Remote Pilot licence. If you do not have an ARN, you can apply for one here: <https://www.casa.gov.au/files/form1162pdf>

ACADEMIC AWARD AND RECOGNITION

Upon successful completion participants will be issued with their CASA accredited Remote Pilot Licence (RePL) along with their Aeronautical Radio Operator Certificate (Licence).

WHAT TO WEAR

All course participants are required to wear appropriate work attire and closed in shoes.

MORNING TEA AND LUNCH

Feel free to grab a tea or coffee before the course starts and during the course breaks. All participants will be offered morning/ afternoon tea and **lunch is provided**. Persons with special dietary requirements should cater for their personal needs.
